No prospective member may be entered into membership without her consent.

Section 3. Previous Members

Upon verification of past Club membership status, a previous member may rejoin the club at any time by paying the full year’s membership dues. Previous members who have discontinued membership for more than one year will pay dues based on the amounts established for new members as published in the rules.

Section 4. Continuation of Membership

- a. A member may continue her membership indefinitely and participate in Club activities provided that dues are current and she has no delinquent financial obligations to the Club.
- b. A member with delinquent financial obligations will not be considered a member in good standing and will not be eligible to vote or participate in Club functions until the financial obligation is met.
- c. A current member who relocates to a new address more than 20 automobile miles from either the Salem or Keizer City Hall may continue her membership.
- d. Membership in the Club may not be transferred to another individual.

The decision of the Board shall be final and shall not be reviewable by any court.
- c. A member may also choose to terminate her membership at any time by notifying the Secretary in writing.
- d. Termination or resignation of membership does not excuse any financial obligation that may be owed to the Club by the member.

Section 6. Nondiscrimination

Article IV: Membership Meeting and Voting

Section 1. Annual Meeting

The Club will hold an Annual Membership meeting in May for the purpose of electing officers and conducting other Club business.

Section 2. Special Meetings

Special meetings of the members shall be held at the call of the Board or by the call of at least five percent of the voting power of the corporation by a demand signed, dated, and delivered to the Secretary. Such demand by the members shall describe the purpose for the meeting.

Section 3. Notice of Membership Meeting

- a. Notice of a Membership meeting is given to each member by electronic or first class mail at least 7 days before the meeting or by other means 30 but not more than 60 days before the meeting. The notice will include the date, time, place and purposes. In most instances Membership meeting notice will be published in the Club newsletter.
- b. By indicating an email address on a membership or renewal form, a member assents to electronic notification. Electronic and mail notification are deemed adequate if sent to the most recent email or postal address on file with the Secretary.

Section 4. Quorum and Voting

Those votes represented at a meeting of members constitute a quorum. A majority vote of the members voting is the act of the members, unless these bylaws or the law provide differently.

Section 5. Proxy Voting

There shall be no proxy voting.

Section 6. Action by Consent

Any action required by law to be taken at a meeting of the members, or any action which may be taken at a Membership meeting, may be taken without a meeting if the consent in writing, setting forth the action to be taken or so taken, shall be signed by all the members. This shall include assent in electronic form.

Section 7. Voting by Written Ballot in Lieu of Membership Meeting

- a. In ordinary circumstances members will vote on Club matters at a Membership meeting. Rarely, however, the Board may determine the need for a ballot to be distributed to every member instead of conducting a vote at a meeting. The Board may choose to deliver a written ballot to every member of the Club for a vote on a proposed action in lieu of a meeting at which the vote would take place.
- b. If it chooses to conduct a written ballot, the Board shall establish procedures to safeguard the confidentiality and integrity of the voting process prior to ballot distribution and shall adhere to procedural requirements for conducting written ballots as specified in Oregon State Statute 65 (or its corresponding future provisions).

- c. All members shall be given notice of the Board’s intent to distribute a written ballot in lieu of a vote taken at a Membership meeting prior to the distribution of the ballot. A member who has agreed to acceptance of Club correspondence through electronic means as indicated on the Club’s membership form may receive a ballot electronically. A member not accepting electronic means of correspondence may receive a hand- or postal-delivered ballot.
- d. A quorum for the purposes of the written ballot shall be the number of ballots returned.

Article V: Board of Directors

Section 1. Duties

The Club’s affairs are managed by the Board of Directors; hereafter known as the Board. The Board is elected by the membership. The elected members (officers and directors) shall have voting power in matters of the Board. Each elected member shall have one vote.

Each Board member shall discharge her duties as a director or officer, including her duties as a member of a committee, in good faith, with the care an ordinarily prudent person in a like position would exercise under similar circumstances, and in a manner the Board member reasonably believes to be in the best interest of the corporation.

Section 2. Number

The number of Board members may vary between five and fifteen.

Section 3. Term and Election of Board Members

- a. The term of office for all elected members shall be one year beginning July 1. An elected Board member may serve two consecutive terms in the same position if re-elected by the membership. Additionally, a member may be elected to repeat service in the same Board position an unlimited number of times provided that she does not serve more than two years consecutively in that position.

b. A member of the Club may serve on the Board in a variety of positions during her length of membership for as many years as she desires and is elected to do so.

c. The membership shall annually elect: 1) a Vice President and 2) a Director to assist the Treasurer. The persons holding these two Board positions may become the President and Treasurer respectively in the following year. If the Vice President does not become President the following year, or if the Director does not become Treasurer, she may be re-elected consecutively or nonconsecutively for one additional term in her current position. Additionally a Board member serving as President or Treasurer may be re-elected for one additional consecutive or nonconsecutive term.

d. If the Vice President does not choose to serve as President the following term, and if the President does not choose to serve an additional consecutive term, a member who has previously served at least one term as a Board member may be elected to serve as President. In the event no previous Board member is willing to serve as President, then the nominating committee will present for approval to the Board the name of a member who is willing to serv. Upon approval by the Board, that person will be included in the slate presented to the membership for vote.

e. Voting members of the Board are elected by Club members at the Annual Membership meeting by a majority vote of the members attending and voting. The Nominating Committee prepares a slate of proposed Board members. Any member who desires to be added to the ballot after the slate is announced may submit her name and the position she seeks in writing and deliver it to the President prior to the election. Nominations may also be made from the floor at the meeting in which the election takes place. A member may not be nominated without her consent. If only one candidate is listed for a Board position, a voice vote of the membership may take place. If more than one candidate is listed for a position, then voting shall be by written ballot for that position.

- f. Elected Board members assume their duties on July 1. The Board sets the time and place of the installation at a date to take place no earlier than the first week of June and no later than the first week of July. An outgoing Board member is responsible for delivering all documents related to the position, both written and electronic, to her replacement no later than July 1 (excepting the Treasurer). Additionally, the outgoing Board member is responsible for conducting any necessary training related to the position. The outgoing Treasurer will continue to work with and train the incoming Treasurer in order to complete end-of-year fiscal records by July 31. In the event that the Board position is not continuing, the outgoing Board member shall return all position documents to the incoming President.

Section 4. Removal

Any elected Board member may be removed, with or without cause, at a meeting called for that purpose, by a vote of a majority of the members entitled to vote in an election of Directors.

Section 5. Vacancies

Should a vacancy occur on the Board an interim Board member may be elected to serve for the remainder of the current membership year by a majority vote of the elected members then on the Board of Directors.

Section 6. Quorum and Action

A quorum at a Board meeting shall be a majority of the number of elected Board members in office immediately before the meeting begins. If a quorum is present, action is taken by a majority vote of the Board members present. Where the law requires a majority vote of Board members in office to establish committees that exercise Board functions, to amend the Articles of Incorporation, to sell assets not in the regular course of business, to merge, to dissolve, or for other matters, such action is taken by that majority as required by law.

Section 7. Regular Meetings

Regular monthly meetings of the Board are held at a time and place to be determined by the Board of Directors. No other notice of the date, time, place or purpose of these meetings is required. Should there be no business

to conduct at a regular meeting, the President, with the written consent of the officers and directors may cancel the meeting.

Section 8. Special Meetings

Special meetings of the Board shall be held at the time and place to be determined by the Board. Notice of such meetings, describing the date, time, place and purpose of the meeting shall be delivered to each Director personally or by telephone or by electronic or postal delivery mail not less than two days prior to the special meeting.

Section 9. Alternative Meeting Venue

Any regular or special meeting of the Board may be conducted through use of any means of communication by which all Directors participating may: 1) simultaneously hear each other during the meeting, or 2) by the electronic methods of an internet chat room or email in which all board members are able to immediately transmit all messages to all participating board members. A quorum is necessary to conduct a meeting using one of these venues. Prior to scheduling an alternative venue meeting the President or her designee shall verify that all elected Board members have adequate equipment and the skill necessary to participate in the meeting.

Section 10. No Salary

Directors shall not receive salaries for their Board services but may be reimbursed for Board-approved expenses related to Board service.

Section 11. Action by Consent

Any action required by law to be taken at a meeting of the Board, or any action which may be taken at a Board meeting, may be taken without a meeting if a consent in writing, setting forth the action to be taken or so taken, is signed by all of voting members of the Board. This shall include assent in electronic form.

Section 12. Conflict of Interest

- a. If a Board member or her family member or any other organization in which she is a part stands to gain financially by a transaction made with the Club, she shall disclose that information prior to any Board decision related to the transaction.

- b. Any corporate transaction in which a Board member has a direct or indirect interest must be authorized, approved, or ratified in good faith, by a majority of the Board members present at a meeting in which there is a quorum who have no direct or indirect interest in the transaction.

Article VI: Committees

Each of these committees shall have at least one Board member serving in an ex-officio position as a voting member of the committee. Each of these committees meets a minimum of once per year with additional meetings taking place as needed. The Club's rules provide a description of the members, duties and major procedures of these committees.

Section 3. Special Committees

The Board may establish other committees, as it deems necessary and desirable. At the time of the committee's establishment, the Board will determine the membership of the committee and its purposes.

Section 4. Limitations on the Powers of the Committee

- a. Unless previously authorized by the Board, a standing or special committee may not take any action on behalf of the Club or itself that requires Board authorization including matters such as contractual obligations or financial expenditures.
- b. No committee may authorize payment of a dividend or any part of the income or profit of the corporation to its directors or officers; may approve dissolution, merger, or the sale, pledge, or transfer of all or substantially all of the corporation's assets; may elect, appoint, or remove directors or fill vacancies on the board or on any of its committees; nor may adopt, amend, or repeal the Articles of Incorporation, bylaws, rules or any resolution by the Board of Directors.

However, in no case will the size of the Board's voting members, inclusive of officers and directors, exceed fifteen.
- b. The Board shall determine any need for a change in the number or function of director positions and then present its recommendation to the membership for consideration. Upon receiving a favorable majority vote by the Club's members, the change in number and/or function shall be implemented in the manner voted on by the membership.

Section 2. Duties

In addition to serving as voting Board members who manage the Club's affairs, Directors coordinate activities crucial to the continuing success of the Club. Specific activities related to each Director's position are published in the current rules.

The Board has authority to modify or prohibit a group's activity if it finds that the group is in violation of the Club's governance procedures or is operating in a manner that poses unnecessary risk to the Club. The Club's rules more fully describe procedures related to these groups.

Article XI: Corporate Indemnity

Section 1. Indemnification of Directors and Officers

- a. Except as provided in Section 1c to the extent of any insurance purchased and maintained on behalf of a Board member (including officers and directors), the Club will indemnify an individual made a party to a proceeding because the individual is or was a Board member against liability incurred in the proceeding if:
 - 1) the conduct of the individual was in good faith; and
 - 2) the individual reasonably believed that the individual's conduct was in the best interests of the Club, or at least not opposed to its best interests.

- b. The termination of a proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent is not, of itself, determinative that the Board member did not meet the standard of conduct described in the Oregon Nonprofit Corporation Act.
- c. The Club may not indemnify a Board member under this Section:
 - 1) in connection with a proceeding by or in the right of the Club in which the Board member was adjudged liable to the Club; or

Section 3. Advance for Expenses

The Club may pay for or reimburse the reasonable expenses incurred by a Board member who is a party to a proceeding in advance of final disposition of the proceeding to the extent of any insurance purchased and maintained on behalf of a Board member if:

- b. the Board member furnishes the Club a written undertaking, executed personally or on her behalf, to repay the advance if it is ultimately determined that she did not meet the standard of conduct. - c. Any authorization of payments under this Section 3 may be made by provision in the Articles of Incorporation, or these bylaws, by a resolution of the members, or the Board, or by contract.

Section 4. Report to Members of Indemnification

If the Club indemnifies or advances expenses to a Board member under this Article in connection with a proceeding by or in the right of the Club, the Club will report the indemnification or advance in writing to the members with or before the notice of the next meeting of the members.

Section 5. Insurance
